### Scientific:

Our scientific focus for the Summer term will be Animals including humans during the first half term then moving onto Habitats for the second.

The children will be exploring the digestive system, types and functions of teeth including tooth decay and food chains.

During the second half term the children will be looking at different habitats and how environmental changes affect them.

### Social:

The children will learn the history of Wat Tyler Country Park and also learn about the Anglo Saxons invasion and settlement after the Roman departure.

In PSHE, the children will learn about how to care for the Earth we live on.

In geography, the children will learn about settlements, the requirements of settlements in connection with the Anglo-Saxon invasion of Britain.

### Spanish / Mandarin:

Useful phrases in Spanish and numbers in Mandarin.

Listen attentively to spoken language and join in.

Explore the patterns and sounds of language through songs and rhymes.

Develop accurate pronunciation and intonation.

Present ideas and information orally to a range of audiences.

Read word and phrases carefully.

Describe people, places, things and actions orally and in writing.

### English:

The children will continue to learn GPS features such as main and subordinate clauses, co-ordinating conjunctions. They will be developing their dictionary skills.

In literacy the children will be learning the features and how to use the features in biographies, instructions and narratives.

In guided reading and comprehension lessons, the children will learn to skim, scan and retrieve, deduce and infer answers, use dictionaries.

## Year Four - Summer Topic: Wat Tyler

### Creative:

The children will be focusing on art projects related to Wat Tyler country park and the Anglo-Saxons including digital art, construction with resources. Children will also continue to have weekly recorder lessons and a weekly lesson with our specialist music teacher. Children will also work with a potter to make clay tiles to commemorate the coronations.

### RE:

Children will learn about the religion of Christianity, the bible, commandments and God.

They will also learn about Buddhism, understanding where the religion comes from, learning about Buddhist beliefs and who the founder of Buddhism was.

### Other information

Year 4 will be visiting Wat Tyler during the first half term.

Homework will be set each week to be returned by Friday the following week. Reading daily for at least 10 minutes 5 times a week.

No earrings for PE lesson days please.

### PE:

Focus on rounders / cricket and tennis. Children will learn batting techniques and work on their accuracy and body position with longer throwing and catching.
