## THEME – 'Happiness in Nature'

The 'Happiness in Nature' Theme can be interpreted as broadly as the Young Photographer wishes and does not need to conform to the dictionary definition of the word. Entrants are encouraged to use their creativity to show what this theme means to them.

### Introduction

The Young Photographer Competition is a well-established and successful competition organised and promoted by Rotary International in Great Britain and Ireland (RotaryGBI).

There are three stages to the competition, each designed to support and encourage the development of photographic skills. Some stages may have more than one round.

### Aims and Objectives

The competition aims to encourage young people to:

- explore and develop their skills in photography
- use either digital and/or traditional methods of photography
- interpret the competition theme with creativity and insight
- communicate personal ideas and perspectives through photography

### Who can take part?

The competition is open to all Thurrock schools and colleges and those home-educated, along with community organisations (e.g. Scout Groups, Girl Guides, Sea and Air Cadets, etc) and other young people living in the Borough of Thurrock.

There are three age groups:

Junior:	Up to and including 10 years old
Intermediate:	11 to 13 years old
Senior:	14 to 17 years old

Entrants must **not** be over the upper age parameter for each group on 31 August 2024. It should be noted that some junior entrants may be 11, intermediate entrants may be 14 and some senior entrants may be 18 at the time of some or all the stage competitions i.e. a competitor who may be 17 on 31st August but turns 18 on 1<sup>st</sup> September is allowed to enter. **Competitors must include their age on the application form.**

Competitors, schools, colleges, and organisations may participate in a competition held in a Rotary club/district outside of the borough of Thurrock but may compete in only one club/district event.

## The Three Stages of the Competition

### Local Heats

This local heat is organised by the 'Rotary Club of Grays Thurrock'.

Entrants need to complete and attach the correct entry form to their photograph and submit them to the event organiser, at [youngphotographer@rotaryclubofgraysthurrock.co.uk](mailto:youngphotographer@rotaryclubofgraysthurrock.co.uk) by **Friday 13<sup>th</sup> February 2026**. The results of this local competition will be published on our website, [www.graysthurrockrotary.org.uk](http://www.graysthurrockrotary.org.uk) as soon as possible after the closing date.

The winners' work from our Thurrock wide event will be entered into the **Rotary District 1240 Competition** which is organised during March 2026. The winners of the district competition will then be entered into the **Rotary in Great Britain and Ireland National Final**. The results of this final will be available in May 2026.

## Competition Guidelines

### Task

To produce one photograph based upon the theme, '**Happiness in Nature**'. The photograph must be submitted via Digital Format (preferably jpg format) individually and to be at least 1500 pixel in size on the longest length. Mobile Phones may be used in addition to cameras.

**Each entrant MUST provide a brief sentence describing the relationship of the artwork to the theme. This sentence must be entered on the entry form in the applicable place. Entries without this explanation will be disqualified.**

### PLEASE NOTE:

- A photograph that forms part of a current educational exam portfolio is not eligible for entry due to exam board regulations
- If the photograph includes images of people under 18 or adults at risk, a completed signed consent form for each individual (available in this pack) must accompany the entry.
- Photographs must be submitted digitally in jpg format and be at least 1500 pixel in size on the longest length. The entry and supporting information should be sent electronically and **MUST NOT EXCEED 15Mb per email**. Emails over this limit will be disqualified.
- Alternative options are to send the nomination and supporting information across several emails or contact Rotarian Derek Swan on [youngphotographer@rotaryclubofgraysthurrock.co.uk](mailto:youngphotographer@rotaryclubofgraysthurrock.co.uk) to organise a file transfer option.

### Judges

Persons with appropriate skills, appointed by Rotary, will apply the judging criteria below.

### Judging Criteria

Judges will consider:

- technical merit
- content and composition
- imagination and style
- relevance to the Theme

Only in exceptional circumstances and at the sole discretion of the competition organiser, will correspondence or discussions be entered into following the competition. Entrants accept that in all respects the judge's decisions are final.

### Plagiarism or Close Copied Images

Plagiarised or 'close-copied' images are not permitted in any competition. It is important that we protect the work of creative individuals. Whilst we are all inspired by the work of others, there is without doubt a grey area where inspiration carries over to close copying. For our competitions 'close copying' is where, to a reasonable person, the submitted entry appears

remarkably similar in significant important respects to a body of work created elsewhere. We are looking for original pieces, not copies, which match the theme of the competition

### **Prizes**

The Thurrock winners in all categories will receive a certificate and a trophy along with a £30 Amazon voucher.

### **How to enter the Thurrock Local Competition**

Entrants are required to complete an entry form and submit it with their photograph to the stage organiser at [youngphotographer@rotaryclubofgraysthurrock.co.uk](mailto:youngphotographer@rotaryclubofgraysthurrock.co.uk) to **arrive no later than Friday 13<sup>th</sup> February 2026.**

### **PLEASE NOTE:**

**Parents/Guardians may use the entry form to directly enter their child into this competition.**
